The Monthly Billing Statement shall form an integral part of these Terms and Conditions.

In the event of any error in the Monthly Billing Statement, the Cardholder agrees to immediately notify Home Credit of said error. - c. 7% of the Total Amount Due less Monthly Installment Amounts, or P700, whichever is higher, which amount shall be prescribed to cover penalties first, then charges, fees, and the principal.

16. Card Payment. The Cardholder must pay the Minimum Amount Due, as shown in the Monthly Billing Statement and must be received by Home Credit on or before the Payment Due Date. The payment through any authorized mode, or made to any accredited payment center of Home Credit shall be considered as payment to Home Credit that is made on the same date. The Payment Due Date is

Public

automatically moved to the next business day if it falls on a Saturday, Sunday, or a regular national holiday and payment thereon shall not be treated as late payment.

Payment which is less than or exact amount of the Minimum Amount Due shall be applied in the following order: the overdue amount (if any); the Monthly Installment Amount due (if any), penalties, Interest Charges, fees and principal.

Upon receipt of a payment from a Cardholder whose account carries different interest rates for different types of purchases such as Cash Withdrawals, regular purchases, installments, balance transfers, Home Credit shall apply amounts in excess of the Minimum Amount Due first to the fees and charges, and then to the billed balance bearing the highest rate of interest, followed by the billed balance bearing the next higher rate of interest, until the payment is exhausted. The interest rate applicable on the Transaction Date pertaining to the amount shall be the basis for determining priority of payment.

In the event that the Cardholder fails to pay the Minimum Amount Due on the Payment Due Date, Home Credit reserves the right to temporarily suspend the Card until payment is made.

The Cardholder may also choose to avail of the Automatic Debit Arrangement (ADA) wherein the Minimum Amount Due or Total Amount Due (whatever is selected by the Cardholder) will be debited every month from the Cardholder's enrolled bank account three (3) days prior to Due Date for credit cards, or until Cardholder has cancelled ADA service or terminated the Credit Card Agreement.

Enrollment to ADA may be done by the Cardholder using his/her electronic signature and Home Credit's E-Services, as defined under the General Terms and Conditions.

Should the Cardholder avail of ADA, he/she undertakes to always maintain a sufficient amount for Home Credit to debit his/her account for the Minimum Amount Due or Total Amount Due plus any Fees or Charges, if any.

At any time, the Cardholder may cancel ADA enrollment or change ADA amount by calling Home Credit's hotline. After cancellation of ADA enrollment, credit card dues may be paid through Home Credit's designated Payment Channels.

17. Interest Charge. The Cardholder is required to pay the Minimum Amount Due as indicated in the Monthly Billing Statement for every Billing Period.

No interest shall be imposed if the Total Amount Due is paid in full on or before the Payment Due Date provided that interest from Cash Withdrawals shall accrue on the day the cash was obtained by the Cardholder.

Payment of less than the Total Amount Due will render the unpaid principal portion of the Total Amount Due as a borrowing and will be subject to interest from the Billing Cut-off Date at the rates indicated in the Credit Card Agreement until settlement of the amount in full.

Home Credit reserves the right to change the interest rates and/or fees from time-to-time and to be effective after ninety (90) days from the written notification sent to the Cardholder via the mode of communication provided in these Terms and Conditions subject to the right of the Cardholder under Section 21 hereof.

Public

The unpaid principal balance of the Monthly Installment Plan shall be converted into a single accelerated transaction, which shall be effective on the next Payment Due Date, subject to payment of accrued interest (if any) until the date of cancellation of the Monthly Installment Plan. The accelerated transaction shall form part of the Total Amount Due.

19. Late Payment Fee. If no payment is received on or before the Payment Due Date or if the payment is below the Minimum Amount Due, a Late Payment Fee as indicated in the Credit Card Agreement shall be charged. The Late Payment Fee shall be imposed for every delay of a Billing Period.

Home Credit may, upon its sole determination that circumstances warrant or that there is a valid reason, and without notice to the Cardholder, block, cancel, or terminate the Card Account and/or the Card or its privileges at any time, or to not proceed with renewal of the Card, provided that, the Cardholder will be notified within seven (7) business days from the date of blocking, cancellation, or termination. The Cardholder shall have the right to appeal the same subject to mutual agreement with Home Credit. The Cardholder agrees to hold Home Credit free and harmless from any claim for damages arising from such termination.

Home Credit shall impose collection block of the credit card in case of Cardholder's non-payment of the credit card prescribed Minimum Amount Due on the payment due date. At Home Credit's sole determination of Cardholder's financial capacity, collection block could be removed upon processing of the Cardholder's payment.

To limit Cardholder's possible risk exposure, Home Credit has the right to block the card due to or as a result of suspicious credit card activity monitoring in case the Cardholder fails to confirm alerted transaction as genuine. Cardholder may request to unblock the card upon confirmation that the transaction is genuine.

The Cardholder may, at any time, request blocking of the card via Home Credit Mobile Application or Customer Service Hotline upon his discretion.

The Cardholder may, at any time, terminate the use of the Card by calling Home Credit at the Customer Service Hotline even without returning the Card to Home Credit. The termination is subject to the immediate payment of the Outstanding Balance including all charges and obligations incurred in connection with the use of the Card. The Cardholder will be advised over the Customer Service Hotline on the due date of the Outstanding Balance and the applicable interest rate until final settlement has been made. The Card shall be deactivated at the date when the termination was requested and the termination of the Card Account will be made final only upon full settlement of the Outstanding Balance and will continue to incur applicable fees and charges until termination of the Card is final. Unless Home Credit receives a request from the Cardholder to cancel the activated Card, the Card Account will continue incurring the applicable fees even if the Card is not used after its activation.

22. Collection. Home Credit may appoint third parties, in accordance with BSP regulations on outsourcing arrangements, for the collection of the amount due from the Cardholder. Should a third party be engaged for collection, Home Credit shall inform the Cardholder in accordance with Section 26 at least seven (7) days prior to actual endorsement or transfer of endorsement, the names and contact details of the agency to whom the account is endorsed or transferred.
